### **FAILURE TO STOP & RENDER AID 03-311378**

**ATTENTION ALL OFFICERS AND CIVILIAN EMPLOYEES: The Special Traffic Investigations Section (STI) continues to investigate an STI Cold Case that occurred over a year ago.**

**On Friday, 11/07/2003 at approximately 7:15 PM, a collision occurred at 7400 S. Desert Blvd near 900 Los Mochis. The PEDESTRIAN, Chenoa HOLLEBEKE-CHAVEZ 23 yoa, was killed as a result of injuries sustained in the collision. The vehicle wanted in this case was last seen fleeing south on S. Desert.**

**SUBJECT VEHICLE: 1986 - 1990 Ford Escort (lowered/low profile) possibly an Escort GT or similar model. Vehicle could be a two-tone, but investigators are sure the front end of the vehicle is white in color. Investigators have determined the right front portion of the grille directly below the hood was definitely affected in the crash and was damaged including the right headlamp. The COLOR OF THE GRILLE at the time of the crash was absolutely and most definitely WHITE IN COLOR. Understand that parts could have been painted and or replaced by this time.**

**There should also be some soft damage to the right or center side of the hood if it hasn't been repaired or replaced by now.**
